

DISCOVER CRESTWOOD

Discount Program Enrollment Form

The City of Crestwood would like to invite you to participate in the Discover Crestwood Discount Program. There is no out-of-pocket cost associated with this program. This campaign will allow area shoppers to receive a discount at local stores by presenting a "savings pass" obtained through the City newsletter or City website. If you choose to participate in this campaign, you will offer a Discover Crestwood discount (of your choosing) which will be available to those shoppers who show a savings pass, and/or a General discount, such as senior citizen, student or military discount (of your choosing).

The goal of this program is to encourage area shoppers to primarily consider your store and other Crestwood businesses. Your only obligation is to honor your offered discount when residents patronize your business, and even then, your only cost is the discount you provide.

We ask that you place a Discover Crestwood decal (to be provided by the City) in your front window or near your cash register. This will allow patrons to realize that you are a member of this exciting community sponsored program.

Please fill out the information below if you are interested in participating in this discount program. Your participation and discount will be advertised in the business directory on the City's website.

The City may be in contact with you periodically to discuss any changes you would like to make to your discount offer and confirm your future participation. Businesses may discontinue participation in the program or change their discount at any time by merely contacting the City of Crestwood and returning the Discover Crestwood decal.

The most exciting thing about the Discover Crestwood campaign is that you can personally measure the results when patrons visit your business to take advantage of this program.
