

## DISCOVER CRESTWOOD

# Business Directory Enrollment Form

The City of Crestwood would like to invite you to join us in our effort to revitalize the local business community. With your approval, we would like to include your business (at no cost to you) in a directory of local businesses on the City's website. The City is also offering you the chance to participate in the Discover Crestwood Discount Program, a campaign in which you offer a discount (of your choosing) to area shoppers. The City utilizes social media websites such as Facebook and Twitter to promote those businesses: Facebook's Discover Crestwood fan page or Twitter's CrestwoodMO account. The City of Crestwood is proposing this free program in support of our important local businesses.

If you would be interested in the City of Crestwood including your business in the Discover Crestwood Business Directory on the City's website, please fill out the information below. All businesses choosing this option will be listed alphabetically by name and/or category in the local business section of the City's website at no cost.

Pick a category which would accurately describe your business function:
